

Participate in a conversation about ‘health’ - with the leadership of the Okanagan Similkameen Healthy Living Coalition – and we won’t mention ‘health care’ at all!

*Our vision: **Making the Okanagan Similkameen the healthiest region in BC.***

Mission Statements

1. Facilitating healthy living policies, plans, programs and services through collaboration.
2. Inspiring a healthy living culture by engaging coalition members, residents and communities
3. Supporting children, youth and vulnerable populations by advocating for affordable and accessible programs and services
4. Fostering a built environment that supports healthy lifestyles.
5. Contributing to the sustainable health care by promoting the reduction of lifestyle-related chronic disease
6. Building momentum by celebrating success

Guests: Dr. Gerry Karr (Okanagan Similkameen Healthy Living Coalition)

Betty Brown (Interior Health - Healthy Communities Initiative)

Dr. Karr and Betty Brown will present the plans to support local community collaborations to create a healthy living strategic plan. The Coalition will provide seed funding, guidance and on-going project funding, upon completion of a plan.

Your participation is critical to shape the direction of this work. The goal is to improve the health of Okanagan Falls residents and to reduce the prevalence of chronic diseases.

We look forward to meeting you and starting the conversation...
